This is a Department of Defense Intelligence Document prepared by the Armed Forces Medical Intelligence Center and approved by the Deputy Directorate for Scientific and Technical Intelligence of the Defense Intelligence Agency.

This document has been processed for CIRC.

This information is furnished with the understanding that it will not be disclosed or knowledge of its possession revealed to any other nation or party without specific authority from the Defense Intelligence Agency. That it will not be used for other than military purposes. That the rights of the individual or concern originating in the development of the information, whether it is patented or not, will be respected and protected in accordance with the patent laws of the country of the originator. That it will be provided substantially the same degree of security protection afforded to it by the U.S. Department of Defense, and that recipient will report promptly and fully any known or suspected compromises of U.S. classified information.
